

BTS Support Group

Bereaved Through Suicide

BTS is for people of all ages and walks of life whose common link is that we have been devastated by the suicide of someone close to us.

Our group exists to support and care for others through these most difficult of times and perhaps make the journey a little easier.

Phone: **0468 440 287**

Website: **bts.org.au**

Email: **support@bts.org.au**

BTS offers bi-monthly support meetings.

We are operated entirely by volunteers and accept no government funding. Donations are welcome.
